“Step Up and Lead”

Leading in Today’s Fire Service - Why we need strong leadership in today’s world (more than ever).

Leadership Skills - Mentoring and Succession Planning • Critiquing others (How to do it right) • Delegating (The who, what, where, when and why of delegating) • Preventing Freelancing (no explanation needed!) • Technical Report Writing (The danger of poorly written or inconsistent reporting) • Tackling administrative tasks (How to create community education programs and/or SOP’s) • Dealing with subordinate Issues (Handling difficult people) • Post Incident Analysis (why it is important) • Leadership in the hostile work environment (follows leadership in the soft environment) • Building Morale (8 tips to increase morale)

Customer Service - Discussion on how and why we must provide exceptional service.

Sunday, January 27th

**Captain Rob Cloud
Prairie Township Fire Department
Columbus, Ohio**

“Making Decisions that Matter”

This class provides every firefighter and officer of any level the fundamental tools necessary to develop as an effective team member and leader with instructional teachings that will assist with competent approaches to decision making; including; a trust worthy leader, leadership models, size-up, personnel risk assessment; strategy and tactics to successfully implement a universal Incident Action Plan to mitigate emergency incidents.

- “Walk the Walk”
- Incident Size Up
- Decision Making Under Fire
- Modern Fire Attack
- Putting it all together and Incident Action Plan
